

1:1 Consultation Clinic

The Consultation Clinic offers brief consultation to families who would like to discuss a specific goal or concern with a Board Certified Behaviour Analyst (BCBA). Families will receive a 2 hour consultation including a recommendation of teaching strategies and resources.

Suitable for families that have a specific goal or concern related to:

- Social Skills (ie. Teaching play skills)
- Communication (ie. Increasing use of a communication system)
- Self-Regulation (ie. Implementing an activity schedule)
- Promoting Independence (ie. Walking with an adult)
- Activities of Daily Living (ie. Eating with utensils)

NOT suitable for families that:

- Have a child with self-injurious behaviours, severe aggression or other dangerous behaviours

Services that are included are:

- Consultative supports where parents can discuss concerns on a specific topic or challenge
- Demonstration of ABA strategies including positive reinforcement, prompting, the use of visual supports and other teaching strategies.
- Providing relevant resources such as tip sheets and books/websites

Services that are not included are:

- On-going behavioural support
- Supporting families at community programs/school meetings regarding Individual Education Plans, school transitions, or integration of strategies into community/school environment
- Assessment or and direct intervention with the child

CONSULTATION FEE: \$200

WHERE: 65 Hartsdale Drive, Etobicoke ON M9R 2S8
